**Performance Work Statement
for
Task Order NNM06AB29T, Business Support Services
For IS01/Integrated Enterprise Management Program
Basic Order NNM05AB31C**

1.0 INTRODUCTION

The Contractor shall perform this Performance Work Statement (PWS) in accordance with the PWS contained in the basic order, NNM05AB31C, Acquisition and Business Support Services (ABSS), and with the terms and conditions as set forth in the basic order and as supplemented in this Task Order.

2.0 PROGRAM MANAGEMENT

The Contractor shall provide program management and control for this Task Order pursuant to PWS paragraph 2.0 of the basic order. All plans and reports will be provided to the Government in accordance with the direction contained in the Data Procurement Document (DPD) 1079, Attachment J-2 to the basic order, and as directed in paragraph 2.0 of the basic order PWS.

3.0 BUSINESS SUPPORT

3.1 Integrated Enterprise Management Program (IEMP)/IS01

3.1.1 Business Support is required for the IEMP Office to perform assessments of programs and identify critical areas of concern for the purpose of defining potential technical and financial problems. Cost analysis and performance assessment will be required on multiple project elements. Earned Value Management Techniques may be used to assess project elements and convey status to customers. Participation will be required in developing program budgets, long-range Program Operating Plans (POPs), phasing plans, and other resource planning. This type position requires a bachelor's degree and 4-6 years of experience in the field or in a related area.

3.1.2 Support is also required to perform assessments of programs and identify critical areas of concern for the purpose of defining potential technical and financial problems. Cost analysis and performance assessment will be required on multiple project elements. Earned Value Management Techniques may be used to assess project elements and convey status to customers. Participation will be required in developing program budgets, long-range Program Operating Plans (POPs), phasing plans, and other resource planning. This type position requires a bachelor's degree and 4-6 years of experience in the field or in a related area.

3.1.3 Additional support is required to provide analyses of the effectiveness and efficiency of operations and to provide management with pertinent information to manage and control program resources and schedules within constraints. Tasks will include (but not be limited to) assessing differences/changes in program content and recommending possible courses of action; perform independent cost/schedule analyses; provide independent status reports and assessments; track and analyze program cost/schedule status and predict anticipated progress at selected points in time (such as at fiscal year or major milestones). This position requires a bachelor's degree in area of specialty and 6-8 years of experience in the field or in a related area.

3.1.4 This support will be responsible for assisting in developing program budgets, long-range Program Operating Plans (POPs), phasing plans, and other resource planning. Will perform assessments of the project and identify critical areas of concern for the purpose of defining potential technical and financial problems. Cost analysis and performance assessment will be required on multiple project elements. Requires expert knowledge of NASA/MSFC business concepts, practices, and procedures, and extensive experience and judgment to plan and accomplish goals. This position requires a bachelor's degree and 8-10 years experience in the field or in a related area.
