

Below is a list of task orders that have been issued against the Specialized Engineering and Project Support Blanket Purchase Agreements (SEPS BPAs) since they were awarded in February 2006. For those task orders active through 9/30/2011 that have the potential to be transitioned to another contractual vehicle (i.e., ESSA, MIPSS) due to the type of work being performed, their latest Statement of Work (SOW) is provided on the MSFC FOIA Reading Room.
