

AWARD FEE FINDINGS AND DETERMINATION

This constitutes a determination of award fee earned by Jacobs Technology, Inc., under Contract NNM05AB50C with the George C. Marshall Space Flight Center.

The Performance Evaluation Board, acting under the authority of the Performance Evaluation Board for MSFC CPAF Contracts, has completed its evaluation of the contractor's performance for the period September 30, 2006 through September 29, 2007.

The Board's assessment of the contractor's performance and its recommendation to the undersigned Fee Determination Official for the periodic evaluation is a numerical rating of 97.25, or an adjective rating of EXCELLENT, and an award fee percent of 97.25. This rating equates to a recommended award fee in the amount of \$2,384,305.

FINDINGS

Upon a review of the Board's considerations in arriving at its recommendations and the contractor's response to the Performance Evaluation Board Report, I hereby find the score of 97.25 percent, EXCELLENT rating as recommended to be a proper assessment of the contractor's performance for the stated period.

DETERMINATION

Of the total award fee available, \$2,451,728 was applicable to the current evaluation period.

Based upon findings set forth above, I hereby determine that Jacobs Technology, Inc., is awarded fee in the amount of \$2,384,305 for the period ending September 29, 2007.
